CLIENT represents:

1. There is good access to venue(minimal stairs);
2. There is a 120v (standard) electric outlet within 10 feet of the desired booth location;
3. That client is responsible for any malicious damage done to the photo booth by any of Clients' guests, and agrees to pay for any damages therein.

Atomic Photobooth Obligations will be:

1. Provide a photo booth that does not require money to operate and provide sufficient film and supplies for the duration of the event.
2. Install and remove the photo booth in a timely manner.

Other Considerations:

1. Client and Atomic Photobooth Co. agree that in the event of a mechanical failure or for any reason or inability to perform such that Atomic Photobooth Co. cannot provide a functioning photo booth, that Atomic Photobooth Co. maximum liability is the return of any payments received. If only partial services can be provided due to conditions beyond Atomic Photobooth Co.'s reasonable control then the charges are to be pro-rated, example: if the event is six hours and the booth is not functioning for two hours then 1/3 of the cost is to be rebated to Client.
2. A non-refundable Retainer is required to hold the date and the remaining balance is due 3 days prior to the event. If balance due is not paid on time the photo booth reservation will be canceled.
3. Access to the desired location of the photo booth must be (or similar to) a paved walkway and the actual area on which the photo booth will be located must be solid (concrete or similar) and level. Booth must be under a covered area at all times, not subject to rain, moisture or direct sunlight. Any venue access with more than 3 stairs are subject to additional load in charges of \$89. Exceptions can be made only with the inspection and approval of an Atomic Photobooth Co. staff member.
